

Dalys' Ambassador 2010 Promotion

How to take part:

Email to refer@dalys.co.uk giving the contact name, company name and contact details of a business that you think could benefit from either a new telephone system, the NEC - SV8100, or an IP Surveillance system (see Terms & Conditions below). Please do confirm with them that they are happy for you to be sending their details to us.

We will acknowledge receipt of your referral and will contact the customer to discuss their requirements.

Upon installation of the telephone system or IP Surveillance system, we will contact you to confirm your choice of gift and arrange for despatch.
